

220V Metal Split Duct Exhaust Fan 500RPM AC Motor

Our Product Introduction

for more products please visit us on zd-fan.com

Basic Information

- Place of Origin: Guangdong, China
- Certification: CCC/CE/ISO9001
- Model Number: DPT10-15
- Minimum Order Quantity: 1
- Price: \$13-18

Product Specification

- Voltage: 220V
- Speed: 500RPM
- Motor Type: AC Motor
- Blade Material: Metal
- Mounting Type: Duct Fan
- Model Number: DPT10-15
- Material: Metal
- Customized Support: OEM, ODM
- Supply Ability: 20000/month
- Product Type: Cabinet Centrifugal Fan
- Logo Customization: Accept Customized Logo
- Non-standard Design: Special Voltage, Flange Interface
- Certifications: ISO9001, CE, CCC
- Utility Patents: Multiple Utility Model Patents
- After-sales Support: Video Technical Support

Product Description

Customized 220V Ventilation Vents Strong Ventilation Split Duct Exhaust Fan

Product Specifications

Customized Support	OEM, ODM
Blade Material	Metal
Mounting Type	Duct Fan
Voltage	220V
Speed	500RPM
Motor Type	AC Motor
Warranty	1 Year
After-sales Service	Video technical support
Product Name	Split Duct Exhaust Fan
Packing	Carton & Wooden box
Supply Ability	20,000/month
Port	Guangzhou
Payment Methods	TT, L/C, D/A, D/P, Western Union, MoneyGram

Key Features

- Durable metal construction
- Low noise operation
- Energy efficient performance
- High-performance ventilation
- Professional service support
- 24-hour online service

VENTILATION EQUIPMENT

20+ YEARS OF PROFESSIONAL INDUSTRY EXPERIENCE

20+ YEARS
With full-chain production capabilities from components to complete systems.

OEM&ODM
Customized solutions for diverse climates and architectures.

TRANSPORT
Fast delivery in cooperation with several logistics companies.

FAVORABLE PRICE
Customers can enjoy the company's long-term technical advisory services.

Product Details

Model Number: DPT10-15

Product Name: Full Metal Ceiling Fan

Customization: Accepts customized logos and specifications

Frequently Asked Questions

Why choose us?

Since its establishment in 1997, we have adhered to a quality-centric approach and actively developed our proprietary brand. We have passed ISO9001, CE, and national CCC certifications and hold multiple utility model patents. Our company ranks among the top in the industry for comprehensive strength and brand influence.

What are our customized services?

We support non-standard designs including special voltage requirements, custom flange interfaces, and logo customization.

How do we guarantee product quality?

We inspect every component before production, follow strict manufacturing processes, conduct comprehensive testing before shipment, and use secure packaging methods to ensure product integrity.

What about after-sales service?

24-hour service hotline with professional technical support

Comprehensive technical guidance for product use

Regular follow-ups to monitor product operation and provide maintenance updates

What's your minimum order quantity?

We accept orders of any quantity, from single units to large volume purchases, with the same commitment to quality and service.
