

Metal Split Duct Exhaust Fan 220V 500RPM Low Noise

Our Product Introduction

for more products please visit us on zd-fan.com

Basic Information

- Place of Origin: Guangdong, China
- Certification: CCC/CE/ISO9001
- Model Number: DPT10-15
- Minimum Order Quantity: 1
- Price: \$13-18

Product Specification

- Blade Material: Metal
- Mounting Type: Duct Fan
- Voltage: 220V
- Speed: 500RPM
- Motor Type: AC Motor
- Material: Metal
- Model Number: DPT10-15
- Customized Support: OEM, ODM
- Supply Ability: 20000/month
- Product Type: Cabinet Centrifugal Fan
- Feature: Durable Low Noise Energy Saving High Performance
- Logo Customization: Accept Customized Logo
- Payment Terms: TT,L/C,D/A,D/P,Western Union,MoneyGram
- After-sales Service: Video Technical Support

- FAVORABLE PRICE**
Customers can enjoy the company's long-term technical advisory services.

Model Information

Model Number	DPT10-15
Product Name	Full Metal Ceiling Fan
Logo	Accept Customized Logo

Key Advantages

- Professional Service
- High Quality Construction
- Customizable Options Available

Why Choose Our Products

WHY CHOOSE US?

Welcome to Our Shop

POWERFUL MANUFACTURER

Years of manufacturing experience, each process is strictly controlled.

CUSTOMIZED SERVICES

Provide a variety of styles of customization services to meet different needs.

HIGH QUALITY MATERIALS

Carefully polish every detail to enhance the quality of the product

ATTENTIVE SERVICE

All customer information will be kept secure and will not be disclosed to the public.

ONE-STOP SHOPPING, A COMPLETE SET OF SERVICE

Here you can buy all the products needed in the ventilation equipment at one time, and customers can enjoy the company's long-term technical advisory services.

Frequently Asked Questions

Why choose us?

Since its establishment in 1997, we have adhered to a quality-centric approach and actively developed our proprietary brand. We have passed ISO9001, CE, and national CCC certifications and hold multiple utility model patents. Our company ranks among the top in the industry for comprehensive strength and brand influence.

What are our customized services?

We support non-standard design including special voltage requirements, custom flange interfaces, and logo customization.

How do we guarantee product quality?

We inspect every component before production, follow strict manufacturing processes, conduct comprehensive testing before shipment, and use secure packaging methods.

What about after-sales service?

24-hour service hotline with professional technical support

Comprehensive technical guidance for product use

Regular follow-ups to monitor product operation

What's your minimum order quantity?

We accept orders of any size, from single units to large volume purchases, with the same commitment to quality and service.
