

220V Metal Split Duct Exhaust Fan 500RPM Low Noise

Our Product Introduction

for more products please visit us on zd-fan.com

Basic Information

- Place of Origin: Guangdong, China
- Certification: CCC/CE/ISO9001
- Model Number: DPT10-15
- Minimum Order Quantity: 1
- Price: \$13-18

Product Specification

- Voltage: 220V
- Speed: 500RPM
- Blade Material: Metal
- Mounting Type: Duct Fan
- Model Number: DPT10-15
- Product Type: Full Metal Ceiling Fan
- Customized Support: OEM, ODM
- Supply Ability: 20000/month
- Material: Metal
- Feature: Durable Low Noise Energy Saving High Performance
- Packing: Carton & Wooden Box
- After-sales Service: Video Technical Support
- Port: Guangzhou
- Payment Terms: TT,L/C,D/A,D/P,Western Union,MoneyGram

220V AC Split Duct Air Pipe Smoke Extractor In-line Duct Centrifugal Exhaust Fan

Product Specifications

Attribute	Value
Customized Support	OEM, ODM
Blade Material	Metal
Mounting	Duct Fan
Voltage	220V
Speed	500RPM
Warranty	1 Year
After-sales Service	Video technical support
Material	Metal
Product Name	Split Duct Exhaust Fan
Feature	Durable, Low Noise, Energy Saving, High Performance
Service	24-hour online service
Advantage	Professional Service
Quality	High Quality
Packing	Carton & Wooden box
Supply Ability	20000/month
Port	Guangzhou
Payment	TT, L/C, D/A, D/P, Western Union, MoneyGram

Product Details

Model Number: DPT10-15
Product Name: Full Metal Ceiling Fan
Logo: Accept Customized Logo
Payment: TT, L/C, D/A, D/P, Western Union, MoneyGram
Advantage: Professional Service, High Quality

VENTILATION EQUIPMENT

20+ YEARS OF PROFESSIONAL INDUSTRY EXPERIENCE

20+ YEARS

With full-chain production capabilities from components to complete systems.

OEM&ODM

Customized solutions for diverse climates and architectures.

TRANSPORT

Fast delivery in cooperation with several logistics companies.

FAVORABLE PRICE

Customers can enjoy the company's long-term technical advisory services.

WHY CHOOSE US?

Welcome to Our Shop

POWERFUL MANUFACTURER

I Years of manufacturing experience, each process is strictly controlled.

CUSTOMIZED SERVICES

I Provide a variety of styles of customization services to meet different needs.

HIGH QUALITY MATERIALS

I Carefully polish every detail to enhance the quality of the product

ATTENTIVE SERVICE

I All customer information will be kept secure and will not be disclosed to the public.

ONE-STOP SHOPPING, A COMPLETE SET OF SERVICE

Here you can buy all the products needed in the ventilation equipment at one time, and customers can enjoy the company's long-term technical advisory services.

ABOUT US

- Since its establishment in 1997, we have always adhered to the quality line and actively created our own brand, Zhongdian. We have successively passed ISO9001, CE and CCC certifications, and obtained multiple utility model patents. Our comprehensive strength and brand influence rank among the top in the industry.

LEARN MORE

Guangdong Zhongdian Jiajin Environmental Technology Co., Ltd. adheres to the business philosophy of "technology driven development, respect for talent, reform and innovation, and pursuit of excellence", introduces numerous advanced automation equipment and 5S management systems, attaches importance to user experience of products, and takes continuous customer satisfaction as the business orientation. After unremitting efforts, we have become the leader in the fresh air system market.

Guangdong Zhongdian Jiajin Environmental Technology Co., Ltd. adheres to the principle of prioritizing quality over output, and has won the trust of users across the country with excellent quality and outstanding performance. And strive to enhance competitive advantages in pre-sales, in sales, after-sales and other aspects, and will continue to adhere to the creed of customer first and service first. It is the continuous iteration of products and services, striving to become a leading brand in mid to high end fresh air system equipment.

WORKSHOP

Our Advantages

OUR ADVANTAGES

Welcome to Our Shop

20+ YEARS EXPERIENCE

Specializing in ventilation equipment R&D since 2001, with full-chain production capabilities from components to complete systems.

OEM&ODM SERVICE

Customized solutions for diverse climates and architectures.

Frequently Asked Questions

FAQ

Why choose us?

Since its establishment in 1997, we have adhered to a quality-centric approach and actively developed our proprietary brand, Zhongdian. We have successively passed ISO9001, CE, and national CCC mandatory product certifications and have obtained multiple utility model patents. The company ranks among the top in the industry in terms of comprehensive strength and brand influence.

What are our customized services?

We support non-standard design, including special voltage requirements, flange interfaces, custom logos, and more.

How do we guarantee the quality of our products?

We inspect every component before production to ensure flawless parts. Our employees strictly follow production

processes, and products undergo a series of rigorous testing before leaving the factory. The packaging process stabilizes and seals the product machinery securely.

About after-sales service

24-hour service hotline with professional technicians available to answer product questions

Provide relevant technical guidance according to customer needs

Regular follow-ups to monitor product operation and share the latest maintenance technology

What's your MOQ?

We don't have a minimum order quantity. Whether you need 1 unit or 100 units, we provide the same dedicated support and service.
