

## 220V Metal Split Duct Exhaust Fan 500RPM AC Motor

Our Product Introduction

for more products please visit us on [zd-fan.com](http://zd-fan.com)

### Basic Information

- Place of Origin: Guangdong, China
- Certification: CCC/CE/ISO9001
- Model Number: DPT10-15
- Minimum Order Quantity: 1
- Price: \$13-18

### Product Specification

- Voltage: 220V
- Speed: 500RPM
- Motor Type: AC Motor
- Blade Material: Metal
- Mounting Type: Duct Fan
- Model Number: DPT10-15
- Material: Metal
- Customized Support: OEM, ODM
- Supply Ability: 20000/month
- Product Classification: Cabinet Centrifugal Fan
- Logo Customization: Accept Customized Logo
- Payment Methods: TT, L/C, D/A, D/P, Western Union, MoneyGram
- After-sales Service: Video Technical Support
- Feature: Durable Low Noise Energy Saving High Performance

## Product Description

### Commercial 220V Air Pipe Smoke Extractor In-line Duct Centrifugal Exhaust Split Duct Exhaust Fan

#### Product Specifications

Attribute	Value
Customized Support	OEM, ODM
Blade Material	Metal
Mounting	Duct Fan
Voltage	220V
Speed	500RPM
Motor Type	AC Motor
Warranty	1 Year
After-sales Service	Video technical support
Material	Metal
Feature	Durable, Low Noise, Energy Saving, High Performance
Service	24-hour online service
Packing	Carton & Wooden box
Supply Ability	20,000/month
Port	Guangzhou
Payment	TT, L/C, D/A, D/P, Western Union, MoneyGram

#### Product Details

**Model Number:** DPT10-15

**Product Name:** Full Metal Ceiling Fan

**Logo:** Accept Customized Logo

**Advantage:** Professional Service, High Quality

## VENTILATION EQUIPMENT

20+ YEARS OF PROFESSIONAL INDUSTRY EXPERIENCE

**20+ YEARS**  
With full-chain production capabilities from components to complete systems.

**OEM&ODM**  
Customized solutions for diverse climates and architectures.

**TRANSPORT**  
Fast delivery in cooperation with several logistics companies.

**FAVORABLE PRICE**  
Customers can enjoy the company's long-term technical advisory services.

### Why Choose Our Products

- Established in 1997 with extensive industry experience
- Quality-centric approach with proprietary brand development
- Certified with ISO9001, CE, and national CCC standards
- Holder of multiple utility model patents
- Top-ranking in industry comprehensive strength and brand influence

## WHY CHOOSE US?

Welcome to Our Shop

### POWERFUL MANUFACTURER

| Years of manufacturing experience, each process is strictly controlled.

### CUSTOMIZED SERVICES

| Provide a variety of styles of customization services to meet different needs.

### HIGH QUALITY MATERIALS

| Carefully polish every detail to enhance the quality of the product

### ATTENTIVE SERVICE

| All customer information will be kept secure and will not be disclosed to the public.

## ONE-STOP SHOPPING, A COMPLETE SET OF SERVICE

Here you can buy all the products needed in the ventilation equipment at one time, and customers can enjoy the company's long-term technical advisory services.

## ABOUT US

► Since its establishment in 1997, we have always adhered to the quality line and actively created our own brand, Zhongdian. We have successively passed ISO9001, CE and CCC certifications, and obtained multiple utility model patents. Our comprehensive strength and brand influence rank among the top in the industry.

[LEARN MORE](#)

Guangdong Zhongdian Jiajin Environmental Technology Co., Ltd. adheres to the business philosophy of "technology driven development, respect for talent, reform and innovation, and pursuit of excellence", introduces numerous advanced automation equipment and 5S management systems, attaches importance to user experience of products, and takes continuous customer satisfaction as the business orientation. After unremitting efforts, we have become the leader in the fresh air system market.

Guangdong Zhongdian Jiajin Environmental Technology Co., Ltd. adheres to the principle of prioritizing quality over output, and has won the trust of users across the country with excellent quality and outstanding performance. And strive to enhance competitive advantages in pre-sales, in sales, after-sales and other aspects, and will continue to adhere to the creed of customer first and service first. It is the continuous iteration of products and services, striving to become a leading brand in mid to high end fresh air system equipment.

## WORKSHOP

## Our Advantages

### OUR ADVANTAGES

Welcome to Our Shop

#### 20+ YEARS EXPERIENCE

Specializing in ventilation equipment R&D since 2001, with full-chain production capabilities from components to complete systems.

#### OEM&ODM SERVICE

Customized solutions for diverse climates and architectures.

#### ON-TIME DELIVERY

Fast delivery in cooperation with several logistics companies.

#### FAVORABLE PRICE

Provide affordable and high quality products.

#### END-TO-END SERVICE

24-hour response guarantee covering design, installation, commissioning, and lifetime maintenance.

## Frequently Asked Questions

### Q: Why choose us?

A: Since its establishment in 1997, we have adhered to a quality-centric approach and actively developed our proprietary brand. We have passed ISO9001, CE, and national CCC certifications and hold multiple utility model patents, ranking among the top in the industry.

### Q: What are our customized services?

A: We support non-standard design including special voltage requirements, flange interfaces, and custom logos.

### Q: How do we guarantee product quality?

A: We implement strict quality control including pre-production part inspection, standardized manufacturing processes, comprehensive product testing before shipment, and secure packaging.

### Q: What about after-sales service?

A: We provide 24-hour technical support, usage guidance, and regular follow-ups to ensure optimal product performance and maintenance.

### Q: What's your MOQ?

A: We accept orders of any quantity, from single units to large batches, with the same commitment to quality and service.
